Panama Maritime Authority.....
Plaza Pan Canal Building.....
Omar Torrijos Herrera Avenue, Albrook, Ancon Borough.....
Panama, Republic of Panama.....

The Marine Accident Investigation Department is an independent branch of the Panama Maritime Authority and investigates all types of maritime accidents, both to ships and to people on board them. The sole objective of any investigation is the prevention of future marine accidents through the ascertainment of the causes and circumstances of an accident. The Department does not apportion blame or liability and is not a regulatory or prosecuting authority.
